

# Host an exchange student for a Weekend

## January 17-20, 2019

Have you ever considered hosting a foreign exchange student? This opportunity to host gives you the chance to for just an extended weekend! Get to know an exchange student and experience what it's like to host. You also help a student to meet another American family and share in their life for a few days.

Activities will be provided for the student during the days and your family will be invited to a dinner on Friday night with our AFS community. If you are interested in participating, please contact Carol at [carol@meissneraz.com](mailto:carol@meissneraz.com) or Linda at [lwatko1@gmail.com](mailto:lwatko1@gmail.com).
